Saint of the week · feast day 17 November

Saint Elizabeth of Hungary

a princess who fed the hungry

Elizabeth was a princess who lived in a castle, but she loved Jesus more than jewels and fine clothes. Every day she carried bread to hungry people, and she used her money to build a hospital where sick people were cared for. When she was still young her husband died, and she gave her life to serving the poor. Elizabeth showed that we love Jesus when we care for the people who need us most.

Saint Elizabeth, pray for us!

Draw yourself doing this: Help put together food or clothes for a family who needs them.
