Saint of the week · feast day 7 January

Saint Raymond of Penyafort

a wise priest who helped people be forgiven

Raymond was a Dominican priest in Spain, nearly eight hundred years ago. He was very wise and helped people understand God's laws. Above all, he loved helping people say sorry to God and receive His forgiveness, and he wrote a book to help other priests do the same. Even when he was very old, he kept praying, teaching and helping. Raymond lived to be almost a hundred years old!

Saint Raymond, pray for us!

Draw yourself doing this: When you do something wrong, say sorry quickly.
